3rd Annual Red River Reef and Reptile Expo One Week Away

Best of the best vendors plus new educational presentations.

The Red River Reef and Reptile Expo is a one of a kind annual event for Fargo/Moorhead bringing the best of the best in reef and reptile livestock and hard goods to the area. This year we have added an activity room for the children as well as adding industry speakers. David Skipper from Selenium Enterprises will be talking about the benefits of healthy and organic fish food. Devin HOFFIE will be giving a talk about the common keeping of reptiles and being prepared for your new reptilian pet. Plus be sure to stop by and talk to the area saltwater reef clubs and get involved with great people who share the love for the saltwater hobby!

Red River Reef and Reptile Expo 2015 will be held at the Fargo Baymont Inn and Suites located at 3333 13th Ave S, a few blocks East of the West Acres Mall in Fargo on Saturday, September 26th from 10:00 am to 5:00 PM. There is no cost to attend this event. For the current list of vendors, sponsors and see the latest announcements, please see the Red River Reef and Reptile Expo website <http://redriverreefandreptileexpo.com> or the event Facebook page <http://www.fb.com/RedRiverReefAndReptileExpo>.

Red River Valley Reefers (RRVR) is the local reef hobbyist club serving the Red River Valley area of North Dakota and Minnesota. It focuses on sharing information about the saltwater reef aquarium hobby in an effort to improve member success in the hobby and promote education, conservation and captive propagation.
